What is hyh?

hyh provides advice, information and support to vulnerable young people between the ages of 16-24 who are in housing need.

Every year **hyh** works with over 2,000 young people across Hertfordshire.

What do friends do?

friends promote awareness of the work of the charity and raise funds to support **hyh**'s vital work in the county.

What will it mean to me?

By lending your skills you'll be able to make a positive contribution to your community and help turn young peoples' lives around.

What are friends for?

Our **friends** care about young people and their welfare. They want to help them secure a stable home and a brighter future.

By joining '**friends of hyh**' you will be helping to raise money to support young people across Hertfordshire who are homeless or at risk of homelessness.

You'll be making a real difference to the lives of vulnerable individuals who may feel they have nowhere left to turn.
